

## Firm overview

Eastspring Investments is a Singapore based global asset manager with Asia at its core. Founded in 1994 in Hong Kong and Singapore, Eastspring is the wholly owned asset management business of Prudential plc. Our investment teams specialize in managing high conviction, fundamentally driven global EM, Regional Asia, and single country Asia equity strategies. In addition, we offer quantitative equity solutions, and hard and local currency public fixed income mandates across regional Asia and single country Asia. In total, we manage USD \$228bn<sup>1</sup> in client assets globally. Over the past 25 years, we've built an unparalleled on-the-ground presence across 11 key Asian markets, with 14 offices and 400+ investment professionals.

### At a glance

Based in Asia with deep expertise across emerging and developing markets globally, we are uniquely qualified to navigate complex, inefficient markets and investment opportunities.

Dedicated investment teams work collaboratively to generate superior long-term outcomes for clients, while leveraging broad research resources.<sup>2</sup>

A strong commitment to responsible investments informs our investment decision making and risk management in order to deliver more sustainable outcomes for clients.

Our parent company Prudential plc provides us with stable ownership, an established asset base, and world-class governance frameworks.

For institutional and retail clients globally, we manage a total of USD 228bn<sup>1</sup> across a broad range of strategies including equity, fixed income, multi asset, and quantitative solutions.

### Diversity, people and perspectives

30% of our senior management are women

31 nationalities make up our workforce
